About Me

I am a Front End Developer with 5 years of experience, mainly in Vue, Angular and TypeScript.

I would like to continue using these technologies, but I am also open to ones I have not worked with before.

Resume Objective

I am looking for a job where I can work on projects using the newest technologies, especially with Vue 3 and TypeScript.

Skills

Technologies

- Vue 3
- Angular 2+
- HTML5
- SCSS
